

## Lewelling 2014, 2016, 2017, 2018

An important part of Napa Valley history, the Lewelling/Wight family has been farming their land for almost 150 years. Their storied vineyard in St Helena provides fruit for many of Napa's "big name" wineries. They keep a small plot for their own wines, which are probably the best value in all of Napa.

Sold only by mailing list.
